MEDICAL TRAVEL

Traveling to the Mainland for Medical Treatments/Appointments

We also provide discounted automobile excursion fare for island residents who need to travel to the mainland with their vehicles on a repeated basis for special medical treatments or appointments. The rate is equal to one-half of the excursion fare, based on the time of the year and the size of the vehicle, and is available only to those island residents who are already eligible for the excursion fare and are profiled as such in the Steamship’s reservation system, and meet the following requirements.

- Eligible residents must have a series of at least 10 scheduled medical treatments or appointments over a three-month period for the same medical condition.
- Vehicle reservations at this reduced rate must be requested and arranged through the Reservation Manager or a Supervisor at the Mashpee Reservation Office.
- Supporting documentation from a doctor or medical office will need to be provided at the time of the request for this reduced fare.
- The Reservation Manager and Supervisors will be allowed, at their discretion, to make other special travel arrangements upon request for those island residents requiring frequent treatments or appointments on the mainland for the same medical condition.

Reserving Preferred Space For Medical Treatments, A Disability, Or To Attend A Family Member’s Funeral

Customers who need to travel with their vehicles for medical appointments or treatments, or to attend a funeral service upon the death of a member of their immediate family may reserve preferred space in advance, provided they have a preferred profile account with the SSA. Customers should contact the Mashpee Reservation Office during regular office hours and ask to speak to a Supervisor on duty. Customer may be required to submit written verification of their eligibility and need for the advance reservation, which will be determined by the Supervisor.

PREFERENTIAL BOARDING FOR EMERGENCY SITUATIONS

The Steamship makes every possible accommodation for medical emergencies. In these cases, an ambulance or a personal vehicle is boarded on a preferential basis. Per our policy, an emergency situation “exists” when an ambulance or a customer’s vehicle needs to be transported to the mainland without delay for emergency medical care that is not available on the island, or a customer’s vehicle needs to be transported to the mainland without delay so that the patron can attend to a death or an unexpected serious illness or injury of a member of the patron’s immediate family on the mainland.

Customers who need to arrange for emergency preferential boarding should contact a Mashpee Reservations Supervisor at (508) 477-8600 during regular business hours: daily, 7:30 AM – 4:00 PM (closed on Thanksgiving, Christmas Day and New Year’s Day). Only when a supervisor is not available will a terminal agent make the determination. A customer is required to provide written verification from his/her physician or health care provider of the customer’s urgent need to travel on our ferry without delay, by submitting a Certificate of Medical Need, which can be downloaded from our website. Navigate to the “About” section and chose “Policies, Forms & Information” from the drop down menu or you may request the form at any of our terminals. Completed forms can be faxed to the Mashpee Reservation supervisors at (508) 477-8717 or by email to supervisors@steamshipauthority.com.

Headstart

Each January we offer our Headstart program, which allows year-round and seasonal Nantucket residents to make up to five (5) reservations prior to the opening of reservations to the general public. This allows island residents more assistance in traveling back and forth to the mainland for their medical and other daily living needs during the summer season when vehicle reservations are more difficult to obtain.

Preferred Space

To assist island residents in traveling back and forth to the mainland for their medical and other daily living needs, the Preferred Space Program provides island residents the opportunity to make a limited number of reservations for such travel either seven days or one day before their day of sailing. Nantucket preferred spaces go on sale one day in advance of the departure date. Reservations can be made after 6:45 AM in person at the Nantucket terminal or after 7:30 AM online or by calling toll-free from Nantucket (508) 228-3274 or (508) 477-8600. Wait List

If a customer is unable to make a reservation for the date or time desired, the customer may request to be placed on a wait list. Wait list requests are on a first come, first served basis, and are automatically processed. When wait listing you have four options to waitlist:

1) Up to 48 hours in advance
2) 24 hours in advance
3) Noon the day prior to travel
4) A user specified drop date that is more than 48 hours in advance as spaces become available due to other customer’s reservation cancellations or changes.

If a customer’s reservation is changed to one of his or her wait list requests more than one week in advance of the scheduled sailing, we will text, e-mail (or by mail if preferred) the customer a notice of the change. If the change occurs one week or less before the scheduled sailing, we will text, e-mail or telephone the customer to notify him/her of the change depending on customer choices set in the customer profile.

Changes can also be viewed on our website on the Dashboard or under My Purchases (also on the Dashboard.) Once a wait list change is made to a customer’s reservation(s), we can only honor the reservation as changed and cannot honor the customer’s original reservation. Accordingly, customers must view their vehicle reservation on our website or call the Reservation Office prior to scheduled sailing time to verify any wait list changes after your wait list choice drops. Changes to a reservation as a result of a wait list request are not considered “Reservation Changes” and do not result in any cancellation or change fees; but once a reservation is changed due to a wait list request, the changed reservation is subject to all cancellation and change fees.

Receive Waitlist Notifications via Text Message

You can opt in to receive Waitlist Request Notifications via Text Message. Visit our website at www.steamshipauthority.com, and then sign in to your profile account.
