Re: Cape & Islands Transport, Inc.

Dear Mr. Kenneally:

Ament Klauer represents Cape & Islands Transport, Inc. ("Cape & Islands").

Cape & Islands' most recent License from the Steamship Authority to operate seasonal passenger service between Falmouth Inner Harbor and Edgartown expired on September 7, 2020. Cape & Islands does wish to enter into and execute a new License Agreement for 2021, 2022 and 2023, or for a longer term if possible. Please confirm that this letter has been received and accepted as Cape & Islands' sufficient request to the Steamship Authority for a new license.

Attached is the proposed Spring Weekends Schedule and Summer Schedule for 2021, 2022 and 2023. The proposed dates for operation are consistent with the schedules in the recently expired and previous Licenses. No changes to the License are being requested.

Please let me know at what public meeting(s) this application will be considered, so that I may attend in order to answer any questions. Please also let me know if you are aware of any issue that may affect the requested licensing.

Cape & Islands continue to appreciate being able to do business as a Steamship Authority licensee. As stated when submitting the previous license application, Cape & Islands believes that it provides an important service to the communities it connects. Cape & Islands looks forward to continuing to do so.

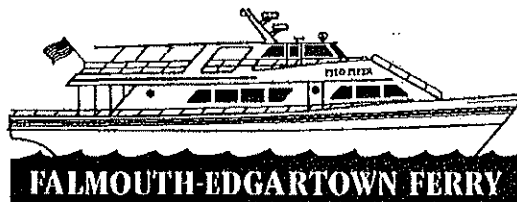

Very truly yours,

Robert H. Ament, Esquire
