Military personnel are required to provide active service cards.

MEDICAL TRAVEL

TRAVELING TO THE MAINLAND FOR MEDICAL TREATMENTS AND/OR APPOINTMENTS

If you are an island resident who needs to travel to the mainland with your vehicle on a repeated basis for special medical treatments or appointments, you might be eligible to travel on a discounted automobile excursion fare. The rate is equal to one-half of the excursion fare, based on the time of the year and the size of the vehicle, and is available to those island residents who are already eligible for the excursion fare and are profiled as such in the Steamships reservation system, and meet the following requirements:

- Eligible residents must have a series of at least 5 scheduled medical treatments or appointments over a three-month period for the same medical condition. Any follow-up appointments within a 12-month period window also qualify.
- Supporting documentation from a doctor or medical office, to be provided at the time of the request for this reduced fare.

The Reservation Manager and Supervisors will be allowed, at their discretion, to make other special travel arrangements upon request for those island residents requiring frequent treatments or appointments on the mainland for the same medical conditions.

Vehicle reservations at this reduced rate can be requested and arranged through the Reservation Manager or a Supervisor at the Mashpee Reservation Office, open daily from 7:30 AM to 4:00 PM. Please call 508-477-8600 or email supervisors@steamshipauthority.com.

Reserving Preferred Space for Medical Treatments, Disability or to attend a Family Member's Funeral

Customers who need to travel with their vehicles for medical appointments or treatments or to attend a funeral service upon the death of a member of their immediate family may reserve preferred space in advance, provided they have a preferred profile account with the Steamship. Customers should contact the Mashpee Reservation Office during regular office hours and ask to speak to a Supervisor on duty. Customers may be required to submit written verification of their eligibility and need for the advance reservation, which will be determined by the Supervisor.

PREFERENTIAL BOARDING FOR EMERGENCY SITUATIONS

The Steamship makes every possible accommodation for medical emergencies. In these cases, an ambulance or a personal vehicle is boarded on a preferential basis. Per our policy, an emergency situation exists when an ambulance or a customer's vehicle needs to be transported to the mainland without delay for emergency medical care that is not available on the island, or a customer's vehicle needs to be transported to the mainland without delay so that the patron can attend to a death or an unexpected serious illness or injury of a member of the patron's immediate family on the mainland.

Customers who need to arrange for emergency preferential boarding should contact a Mashpee Reservations Supervisor at (508) 477-8600 during regular business hours. When a supervisor is not available, a terminal agent makes the determination. A customer is required to provide written verification from his/her physician or health care provider of the customer's urgent need to travel on our ferry without delay, by submitting a Certificate of Medical Need, which can be downloaded from our website. Navigate to the "About" section and choose "Policies, Forms & Information" page from the drop-down menu, or you may request the form at any of our terminals. Completed forms can be sent to the Mashpee Reservation supervisors by fax at (508) 477-8717, or submitted by email to supervisors@steamshipauthority.com

RESERVATION INFORMATION

Customer Accounts

Our online reservation system makes it easy to book vehicle reservations. The first step is to create a customer account by creating a username (this can be your email address) and password. Once you set up your customer account, you can access a Dashboard page, where you can view or update your personal information, vehicle information, or upcoming reservations, as well as view details for all past reservations and other purchases.

Reservations can be made up to 2 hours before the scheduled departure, on our website, 24 hours a day, 7 days a week. You can also book reservations by calling our Reservation line, or make them in person at any terminal. Online reservations must be paid for at the time of booking. For telephone or in-person reservations, payment must be made within 5 days of booking. If made less than 5 days before your travel date, payment is due the day before you travel. We accept cash, checks, Steamship Authority gift cards, American Express, MasterCard, Visa and Discover credit cards for advance reservations. Service fees are assessed for returned checks. You may also pay for a reservation using a Steamship auto ticket book.

Headstart Program

Each January, we open our Headstart program, which allows **year-round and seasonal** Martha's Vineyard residents to make up to five (5) reservations prior to the opening of reservations to the general public. Headstart is available to all participants of the Islander Preferred and Islander Preferred-Excursion programs. This allows island residents more assistance in traveling back and forth to the mainland for their medical and other daily living needs during the summer season, when vehicle reservations are more difficult to obtain.

Preferred Space Program

To assist island residents in traveling back and forth to the mainland for their medical and other daily living needs, the Preferred Space Program provides island residents the opportunity to make a limited number of reservations for such travel, either seven days, or one day, before their day of sailing. Martha's Vineyard preferred spaces can be reserved starting at 7:30 AM. Reservations can be made online at SteamshipAuthority.com, by calling our reservation line or in person at the Vineyard Haven terminal.

Customers may reserve Preferred Spaces as follows:

7-Day Preferred Space Reservations: These spaces go on sale 7 days before your travel date and remain on sale until the day prior to sailing. However, after three days, these spaces are also made available to our wait list customers and the general public.

1-Day Preferred Space Reservations: These spaces go on sale the day prior to travel. At noon, any remaining spaces also become available to the general public.

Please note that all Preferred Space reservations are non-refundable and non-transferable.

Eligibility Requirements

In order to be eligible for the Headstart and Preferred Space programs, an individual must be profiled for the Excursion or Preferred Programs. The Excursion and Preferred Profile applications are available online. Navigate to the "About" section and choose "Policies, Forms & Information" page from the drop-down menu. <https://www.steamshipauthority.com/about/forms>

Reservation Cancellations & Changes

A minimum of 14 days' notice is required to be eligible for a refund on fares for vehicles less than 20 feet. A \$10 processing fee will be assessed on all refunds. Reservations changed within 14 days of reserved travel dates are non-refundable. Passenger fares are fully refundable for up to one year. All vehicle reservations are non-transferable. At least one hour's notice is required to make any date changes. One date change may be made at no charge; all additional date changes are \$10 per change.

Reservation Confirmations

If you book a reservation on our website, you can print a reservation confirmation. If you book a reservation via telephone, a reservation confirmation will be emailed to you. You can also obtain a copy of your reservation confirmation at any terminal. You will need to present your reservation confirmation upon checking in at a terminal. Please arrive at least 30 minutes in advance of your scheduled departure.

Martha's Vineyard Reservation Only Dates

We provide extended phone service for Martha's Vineyard Only dates from 7:00am to 9:00pm, every Friday, Saturday, Sunday and Monday from June 21 through September 2 and May 23 through May 28, as well as July 2, July 3, July 4, August 20, September 3, October 11 and October 14, 2019. The Martha's Vineyard Reservation Only phone number is (508) 477-SHIP (7447).

Vehicle Standby

Customers desiring to travel with their vehicles on a standby basis are generally boarded after vehicles with reservations, as space becomes available, and in the order that such standby vehicles arrive and check in at the terminal. Standby travel is not available on Reservation Only Days.

Blue Line

The Blue Line program allows up to a minimum of fifteen (15) cars per day to be placed in a standby line on Reservation Only Days at the Woods Hole and Vineyard Haven terminals. This program is available to customers with profiles that meet the eligibility requirements for the auto excursion fares or the preferred spaces. Based on travel conditions, this number may increase at the discretion of the agent on duty. The availability of the Blue Line may be suspended or halted at any time during the day, at the discretion of the agent on duty due to trip cancellations or other unforeseen circumstances.

Wait List

If a customer is unable to make a reservation for the date or time desired, the customer may request to be placed on a wait list. Wait list requests are on a first-come, first-served basis, and are *automatically* processed. When wait listing you have **four** options:

- 1) Up to 48 hours in advance
- 2) 24 hours in advance
- 3) Noon the day prior to travel
- 4) A user specified drop date

If a customer's reservation is changed to one of his or her wait list requests more than one week in advance of the scheduled sailing, we will text or e-mail (or mail, if preferred) the customer a notice of the change. If the change occurs one week or less before the scheduled sailing, we will text, e-mail or telephone the customer to notify him/her of the change, depending on customer choices set in the customer profile.

Changes can also be viewed on our website on the Dashboard, or under My Purchases (also on the Dashboard). Once a wait list change is made to a customer's reservation(s), we can only honor the reservation as changed and cannot honor the customer's original reservation. Customers should view their vehicle reservations on our website or call the Reservation Office prior to scheduled sailing time to verify any wait list changes after your wait list choice drops. Changes to a reservation as a result of a wait list request are not considered "Reservation Changes" and do not result in any cancellations or change fees; but once a reservation is changed due to a wait list request, the changed reservation is subject to all cancellation and change fees.
