## HEADSTART PROGRAM January 7, 2020 – January 13, 2020

Martha's Vineyard Preferred Space - 7:30 a.m.  
Nantucket Preferred Space - 6:45 a.m.

Headstart is available to all participants of the 2020 Islander Preferred & Islander Preferred-Excursion programs. Each profiled customer is allowed to submit up to five transactions (one-way or round-trip). Please provide name, address, license plate and vehicle information (year, make and model) for all reservations. Failure to provide accurate dimensions, including roof top carriers and attached bicycles, could void reserved space and/or may impact rate.

Three of the five transactions may be designated as transferable reservations. If you do not have the name and vehicle license plate, year, make, and model of the person(s) using the space you're reserving, we will hold the reservation under your name. **A transfer slip will be sent to you and must be returned no later than May 15, 2020 or 30 days prior to the scheduled departure of the first segment of the reservation with the name, address, license plate, and vehicle information (year, make, model) of the person using the reservation.** Also, indicate any extended length or height i.e. bike racks or luggage racks. A confirmation will be sent at that time.

**If you decide to keep the reservation for your own use, you still must submit the transfer slip no later than May 15, 2020 or 30 days prior to the scheduled departure of the first segment to keep the reservation and receive the confirmation.** All reservations not transferred by the deadline will be canceled and a \$10.00 fee will be assessed on all transfer slips sent back for a refund.

Reserved space must be prepaid. Method of payment cannot be changed after confirmation is issued. Check all confirmations for correct dates, times and destinations. Errors must be reported immediately upon receipt of the transfer slip or confirmation. Failure to do so implies acceptance of confirmation as stated.

**WAIT LISTING:** Wait list requests are on a first come, first served basis, and are *automatically* processed as spaces become available due to other customers' reservation cancellations or changes. **When wait listing you have four options to waitlist; 1.) Up to 48 hours in advance, 2.) 24 hours in advance, 3.) Noon the day prior to travel, or, 4.) We also offer a user specified drop date.** If a customer's reservation is changed to one of his or her wait list requests more than one week in advance of the scheduled sailing, we will text, email or mail the customer a notice of the change depending on customer choices set in the customer profile. If the change occurs one week or less before the scheduled sailing, we will text, telephone or email the customer to notify them of the change. Changes can also be viewed on our website at [www.SteamshipAuthority.com](http://www.SteamshipAuthority.com), on the Dashboard or under "My Purchases" also on the Dashboard. Once a wait list change is made to a customer's reservations, we can only honor the reservation as changed, and cannot honor the customer's original reservation. Accordingly, customers must view their vehicle reservations on our website or call the Authority's Reservation Office prior to scheduled sailing time to verify any wait list changes. Changes to a reservation as a result of a wait list request are not considered "Reservation Changes" and do not result in any cancellation or change fees; but once a reservation is changed due to a wait list request, the changed reservation is subject to all cancellation and change fees.

**CHANGING RESERVATIONS:**

Reservations may be changed up to one hour before the scheduled departure. One date change may be made to a vehicle reservation at no charge. However, if the change is not made at least 14 days in advance of the scheduled departure, the changed reservation will not be eligible for a refund if subsequently cancelled. One date change will be accepted at no charge; all other date changes may be made only upon payment of an additional \$10.00 charge. In the event a reservation is neither changed with at least one hour advance notice nor used as reserved, no refund shall be issued to the customer, although the reservation may be used for stand-by travel solely on the date for which the trip was scheduled and possibly, at the Authority's discretion, the following day.

**CANCELLATION:**

Any reservation made and cancelled on the same day is fully refundable without any processing fee. Otherwise, if the cancellation notice is received at least 14 days in advance of the scheduled departure, the customer generally will be issued a full refund less a \$10.00 processing fee, unless the reservation was previously changed with less than a 14 day notice prior to the scheduled departure.
