

Travel Tips for Visitors

PLANNING FOR AN EASY ARRIVAL AND SMOOTH DEPARTURE:

Please remember that all passengers and vehicles must be at the dock and ready for boarding at least 30 minutes prior to scheduled departure. During the summer months, we recommend you arrive 45 minutes to one hour prior to the scheduled departure. If you are traveling on our traditional ferries without a vehicle, you may purchase your passenger ferry tickets at the ticket office. *Please see detailed information about our high-speed ferry to Nantucket below.* Passenger capacity may be reached on popular sailings prior to departure, so it is best to arrive early.

PARKING:

When headed to **Martha's Vineyard**, please be advised that parking is not available dockside at our Woods Hole terminal. You will need to park in one of our off-site parking lots located in Falmouth or Cataumet. Plan to arrive an hour before your departure trip to allow time to access our off-site parking and free shuttle service to and from our Woods Hole terminal.

When headed to **Nantucket**, please be advised that we offer limited on-site parking at our Hyannis terminal. Off-site parking however, is always available with free shuttle service to and from our Hyannis terminal. Plan to arrive one hour before your departure time to allow time for parking.

We advise that you check current parking status in one of the following ways:

- Log onto our mobile website at m.SteamshipAuthority.com.
- If you are traveling to Martha's Vineyard, please call our Falmouth Parking Information line: (508) 457-PARK (7275).
- If you are traveling to Nantucket, please call our Hyannis Parking Information line: (508) 775-PARK (7275).
- Dial 511 from your mobile phone and enter route code 72 (Regular cell phone airtime charges apply.)
- Tune into radio 1610 AM as you arrive in the area.

Upon arrival at the terminal, our attendants will direct you to a convenient location to board the ferry and where to place your baggage. If you are traveling with a vehicle, please have your reservation information available when you arrive at the terminal. Public restrooms, free Wi-Fi and TV are available on-board each vessel and inside our terminals. Our on-board snack bars offer a variety of beverages, including wine, beer and mixed drinks, as well as an assortment of hot and cold menu items.

MOBILE TICKETING:

Boarding our high-speed ferry to Nantucket is easier than ever, thanks to our improved **mobile ticketing**. You can make your high-speed passenger reservation on our website or mobile site using your mobile device (or you can call 508-495-FAST or in person at the terminal). “I’M LOOKING FORWARD TO AN ISLAND ADVENTURE. WILL I NEED MY CAR?”

The answer to that question depends on what you want to do on your visit to Martha’s Vineyard or Nantucket and how long you plan to stay.

FOR DAY TRIPS:

Have just a day to spend on one of our charming islands? You’ll find so much to do, even without a car. Enjoy breathtaking scenery, world-class restaurants, fascinating shops and galleries, even beaches and seaside vistas, all within walking distance of our island Terminals. For those who want to see more of either island, there are plenty of conveniently-located taxis, tour buses, and car and bike rentals. And in-season, both Martha’s Vineyard and Nantucket offer excellent public transportation, just steps from the ferry docks.

With the Steamship Authority, a car-free excursion couldn’t be easier. As a foot passenger traveling to the islands, reservations are not required and ferries run frequently in both directions. We recommend that you make advance reservations for travel aboard our seasonal high-speed passenger ferry, the *M/V Iyanough*, especially during the weekends in July, August and September, and during all holiday weekends.

FOR A FEW DAYS:

If you want to take your car along for a short stay on one of the Islands, it’s wise to plan ahead. Book online or by phone at (508) 477-8600. There’s so much you can do over the course of a couple of days: you can sightsee, explore art galleries or nature trails, go sailing, windsurfing, kayaking, fishing, shopping, golfing, bicycling, or just relax on the beach.
